

SALVATORE

Salvatore is a contemporary chair with a natural cane seat and back. The legs are finished in solid teak wood and can be used outdoor. The chair with Scandinavian retro design gives this club chair a very distinct looks that are almost impossible to match. Crafted using Indonesian grade A teak wood and Viro fiber wicker that is highly durable in any temperatures. Appropriate for heavy commercial use, these grade A teak dining chairs are constructed of large teak timbers with sturdy mortise and tenon joinery. Salvatore Chair is designed by sohoConcept team and it's suitable for both residential and commercial use.
