

# ARIA METAL

Aria Metal is a contemporary dining chair with a comfortable upholstered seat and backrest on steel legs which are plastic tipped. The steel base can be finished in chrome, stainless steels and black powder coating. Aria Metal is also available with an adjuster base which is done in chrome and brass. The seat has a steel structure with an "S" shape springs for extra flexibility and strength. This steel frame is molded by an injecting polyurethane. Aria Metal is suitable for both residential and commercial use.
