

ZEBRA PYRAMID STOOLS

Zebra, a remarkably stylish stool, has been flawlessly manufactured without any compromise having been made on its comfortableness by combining 29 diverse forms, 56 metal pieces and 268 welded points. This incredible armchair has been meticulously created by high tech equipment after a long R&D process. The upholstery is manufactured by expert craftsmen, using laser-cut, high-end technology machines. Zebra is a timeless stool that will remain to be a statement piece for decades to come. Zebra Pyramid Stool is suitable for both residential and commercial use.
