

SEMINYAK PLYWOOD

The Seminyak Plywood Chair showcases a seamless blend of contemporary form and natural warmth. Its curved, enveloping shell design delivers exceptional comfort while maintaining a clean, sculptural silhouette. Supported by durable plywood legs, this chair brings a touch of organic elegance to any interior. Perfect for dining, meeting, or lounge settings, the Seminyak Plywood Chair is available in a range of upholstery materials and textures — from smooth leathers to soft wools and vibrant fabrics — offering versatile customization to match diverse design environments. This contemporary chair is suitable for both residential and commercial use.
