

BOTTEGA ROUND SWIVEL HB

Bottega Round Swivel HB is a contemporary chair with a comfortable upholstered seat and backrest on a steel tube column and solid steel round base finished in brushed and polished stainless steel. The seat has a steel structure with "S" shape springs for extra flexibility and strength. This steel frame is molded by an injecting polyurethane foam. Bottega Round Swivel HB may be upholstered with variety of other colors as a special order with a minimum of quantity required. Bottega Round Swivel HB Swivel is suitable for both residential and commercial use.
