

Bolta Lounge

When classic aesthetics meet modern thinking, the Bolta Lounge chair is born, a piece that not only catches the eye but also invites moments of relaxation. The expanded seat and gentle backrest recline provide casual comfort, while precisely shaped wooden elements and a stable metal frame ensure a balance of form and function.

Bolta Lounge

More than just an ordinary lounge chair, Bolta Lounge is a symbol of the fusion of past and future, a story told through details, materials, and impeccable craftsmanship. Designed with vision and created for those who recognize subtle luxury in simplicity.
